	Years 9-13	£10,598

It is Governors' policy to maintain these published fee levels throughout the Academic Year to which they relate.

The intention is that the fees structure should be clear and straightforward, avoiding wherever possible the levying of charges for services and activities as "extras". This ensures that the costs of each term's education will be known in advance, with no additions of which parents are unaware.

The following are included in the Standard Fee:

- activities which form part of the curriculum
- books and stationery supporting the curriculum and most materials required for Art and CDT
- career profiling, a professional assessment designed to quantify the skills and aptitudes of pupils in Years 11 and 6[1] and provide detailed guidance regarding future careers and university courses
- copies of the Kent College Times sent free of charge to each household
- exam fees for entering pupils at GCSE or their first A/S and A2 examinations in the 6th Form, and international students for their first English examinations at various levels
- all meals for boarding pupils and lunches for day pupils
- personal accident insurance for pupils
- all bedding and internal laundry services for boarders
- trips which are designated by the school to be obligatory in support of the curriculum e.g. Science and Technology Week, theatre visits, and geography field trips: and costs associated with representing the school in designated sports fixtures and events. A contribution will be required for residential trips.

Payment of fees is due on the first day of each term, as printed on the fees invoice: details of schemes for phased payment of fees by Standing Order or Direct Debit are available on request.

Fees and Deposits

Registration Fee (non-returnable)	£100.00
Deposit for EU Boarding Pupils	£3,000.00
Deposit for non-EU Pupils	One Term's Fees
